CAREER OBJECTIVE

Problem solver and strong communicator eager to prove my value and talent as Frontend developer. Motivated to advance through targeted mentorship and challenging projects.

EXPERIENCE

SOFTWARE RELEASE ENGINEER / RELEASE MANAGEMENT SPECIALIST III AT **NCR**

(May 2022-Present)

Writing installation packages in **Windows Batch** (**CMD**) / **Powershell** for software deployment. Assisting with software deployment and distribution. Collaborating with the **DevOps** team in the creation and testing of a new **Enterprise tool**. Wich is designed for deploying and packaging Software installation among other functions.

LOGISTICS TEAM LEADER AT **NCR**

(Mar 2019-May 2022)

I had an opportunity to improve some of the manual processes by creating software designed to automatize manual work with my knowledge of **Java**, **C#, Python**, and **JavaScript (HTML**/**CSS**/**Angular**) which resulted in the vastly superior result.

WAITER IN CHARGE AT **PRINCESS CRUISES**

(Jul 2012-Nov 2018)

I worked in the F&B Manager's office, where I improved processes for Event/Restaurant reservations. I redesigned the Crew sales benefit program, which increased overall Beverage sales.

DEVELOPMENT WORKER AT **TRS SWISS PRODUCTION**

(Jan 2009-Nov 2011)

I worked with the suppliers in purchasing parts needed for product remanufacturing, where I tested them and then passed them to production. I was working on finding a more efficient and cost-effective way of remanufacturing cartridges used in LaserJet Printers.
